Dear Friends:

It is a pleasure to send greetings to everyone gathered for the lighting of the annual ERDAJT Holiday Christmas Display at the Gay Family home.

As the holiday season arrives, we come together for special events that celebrate time-honored customs and traditions. We step out of the everyday world for a few minutes to spend time with family, friends, and neighbors, enjoying the company of those we love, and slowing down to relish the simple, important things in life.

Starting tonight, and running until December 28th, this magical, record-breaking holiday lightshow and concert will draw hundreds of visitors and raise thousands of dollars for local charities, distributed through a community fund established by the LaGrange Fire Department. This eagerly-anticipated holiday event will delight young and old alike, as they come to see old friends and meet this year's newest additions.

Best wishes to all for a season filled with the kind of warmth and good cheer that give meaning and inspiration, today and always.

Happy holidays!

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew M. Cuomo".
